

THE CIRCLE

Round, robust and ravishing. The Circle comfortably seats 8 to 10 people for a cosy heart-to-heart in style. This round table literally - and thus figuratively - brings people together. Cosiness guaranteed, for many years to come.

MATERIALS

The Circle beautifully combines extremely durable hardwood wood with powder-coated steel. Its tabletop and seats create a monotone effect, while the tubular structure gives the whole a modern feel. The Circle is at home on any surface thanks to the levelling feet.
